About the Firm

"I focus on result driven litigation and serve individuals and companies looking for the right attorney. I employ aggressive litigation and trial tactics to deliver profits, restore rights, and enforce justice. In today's world, clients need an aggressive attorney who can communicate with a jury. I pride myself on being a trial attorney who only accepts clients for whom I feel best suited to exceed their expectations."

Michael Nacol: Trial Attorney, Litigation Consultant, Investment Representative: In 1997 Michael Nacol was the lead investment analyst over a \$1 Billion USD real estate deal.
